

CONDOMINIUM IN PORT SALUT, HAITI

A beautiful project under development which will offer county living at the edge of the ocean, on a plot of land populated with native trees providing a 100% green and natural living space.

Each dwelling has a private swimming pool surrounded by a large wooden terrace with and outdoor living area perfect for sun bathing.

Exclusive rural condominiums to enjoy the Caribbean paradise on one of the most beautiful beaches in Haiti, an Ecological project that goes beyond imagination, built with the Green Magic Homes technology for you to enjoy every moment of your life.

Interior design with beautiful finishes and details that you will fall in love with. Cool and bright spaces, with large windows to enjoy Nature and the marine environment surrounding the homes covered with multicolored gardens.
