

# EMERGENCY SHELTERS IN HAITI

[www.GreenMagicHomes.com](http://www.GreenMagicHomes.com)

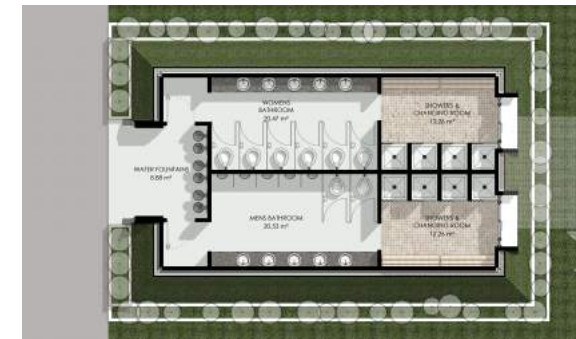

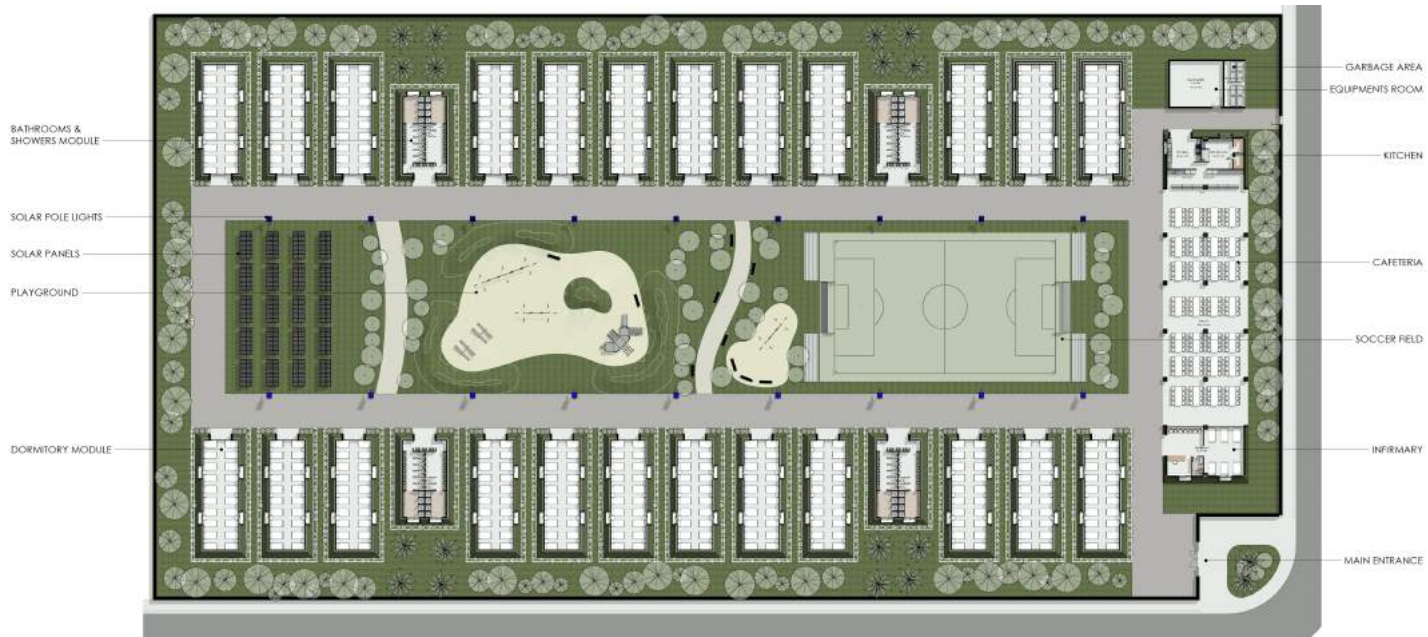

An emergency housing solution for Haiti, which will offer space to comfortably accommodate up to 500 people with all the necessary amenities for good living within a natural environment, making tenants feel they're in an atmosphere of peace and tranquility.

A model project that demonstrates a solution offering a high quality of life at a reasonable price.

Installed solar energy panels with batteries, play areas with dining and rest rooms, administrative area and much more, give this quality project a stamp of approval.

It's a project that has been thoughtfully designed to offer a quality of life that no other project of this kind has ever offered before, covering every detail to deliver an emergency housing solution that will serve as an example to the whole world.
