

SALES ROOM IN PANAMA CITY

www.GreenMagicHomes.com

Deco-Piscinas Panama, our Distributor in Panama, has built a beautiful Green Magic Home, which can be visited any time to appreciate the beauty of our technology.

Advanced architecture built with latest generation materials which integrate completely with nature.

Visit us to check out the freshness and comfort offered by our technology, which can be assembled by as few as 3 people in 2 to 4 days, depending on the size of the structure, with a living space surrounded by lush Nature, in an atmosphere of harmony, and a peaceful interior that will change your life.

Washable walls with rounded corners may be painted any color you choose, with a neatness difficult to match.

Never before has it been so easy to build homes covered with soil and natural gardens.
