

# SHOW ROOM in PORT AU PRINCE - HAITI

Our Distributor in Haiti is finishing the installation of a beautiful Show Room in a strategic location of the Island that shows the beauty and the great advantages offered by our Green Magic Homes technology.

This Show Room will be used as offices with a comfortable boardroom, kitchen, bathroom and reception room with terraces

The Sales Room will show Nature in all its splendor, decorated with beautiful gardens and flowers of the region, the structure will be open to the public on a permanent basis and visitors will appreciate the freshness of the interior and the breadth and illumination of our technology.

Soon, the Caribbean will be the scene of large projects that will show the great advantages of Green Magic Homes technology.
